DEBOLSILLO

Un diccionario de sentido común y de lógica que se convierte en un libro revolucionario.

Cien ideas parecen muchas antes de que uno se ponga a contarlas. Es lo que hace Mario Bunge con paciencia, claridad y sencillez en este libro, tan bueno que hasta parecen pocas. La tarea le permite iluminarse (e iluminarnos) para que las ideas participen luego en nuestras charlas, para que encontremos en ellas temas y motivos que fortalezcan esa gran pasión que nos precedía: la amistad. La sobriedad y la elegancia con las que cada una de estas ideas es expuesta, y la concisión y el método que ameritan, aportan un delicioso empeño: que las palabras sirvan para que podamos

entendernos mejor.

Nunca falta una idea cuando Mario Bunge escribe, y si parece que una sobra, se debe a la generosa actitud del autor, que nos la concede como yapa.
