Novel·la històrica basada en el fet real que explica l'arribada i estada a Catalunya de la princesa asteca Xipahuatzin i el seu seguici després d'haver estat regalada per Hernán Cortés al baró de Toloriu que l'havia acompanyat en la conquesta de Mèxic. De la mà de quatre testimonis que tenen en comú que tots es van relacionar d'una manera o altra amb la princesa Xipahuatzin, el lector coneixerà no només els fets que van provocar la seva arribada a Catalunya sinó també aspectes diferents de la seva personalitat, les seves creences i el seu capteniment durant el temps que va viure a Toloriu i a Casa Bima com a concubina del baró que la va portar fins aquí.
