¿Por qué no vivir la vida aceptándonos más, queriendo más, cuidándonos más, respetándonos más? Con este lema de vida, y en torno a estas preguntas, la influenciadora de talla grande y experta en moda más reconocida del país invita a todas las mujeres a que hagan un viaje interno y descubran que el secreto para ser verdaderamente feliz es aceptándose tal cual son: gordas, flacas, altas, bajitas, morenas o blancas.

Además, con una narración divertida y varias anécdotas que parecen sacadas de otro mundo, la autora se enfrenta a su propia realidad para que sirva de espejo a quienes viven sufriendo por su apariencia y no se atreven a enfrentarse a lo que ella llama el glosario de monstruos: gimnasios, piscinas, básculas, espejos, entre otros.
