Haunted by her past, Olivia Adler flees Boston for a beach in Florida, leaving everyone behind, trying to shut the world out. Remaining a relative recluse in her self-imposed prison, she tries to turn everything off, wanting to feel nothing. But a new acquaintance won't let that happen. After being away from Alexander for a month, his voice constantly ringing in her head, reminding her that her inability to confront her demons will not only destroy her, but also him, can she really be expected to want to feel again when it brings nothing but

pain?

Back in Boston, everywhere he turns, Alexander Burnham is reminded of Olivia... His Olivia... He tries to dull the ache left in his heart the only way he knows how... in the bed of a beautiful woman. But Alexander isn't about to lose his Olivia. After a clue comes to light regarding Olivia's whereabouts, can he convince her to return to Boston with him? When a force that has laid dormant for months resurfaces, can Alexander still protect her from the unknown danger? And when Alexander comes face to face with a shadow of both his and Olivia's past, will he be able to tell her the secret that is threatening to tear them apart?
