## What happens when two lost souls find themselves?

After recent heartbreak, Skye Jackson finds herself homeless and on the road with only a classic Airstream trailer to her name. A surprise inheritance of a rundown little lodge in the grounds of beautiful Willow Tree Hall forces her to change her plans. However there is a problem...

The lodge is co-owned by care-free playboy Will Harris, who finds himself unemployed after a recent tabloid scandal.

Skye desperately wants a home to call her own and needs to move on as quickly as possible. Will doesn't want to stay at his family home either to face the ghosts of his past. So they decide to put aside their differences and renovate the cottage together.

But when a storm hits, Skye and Will are forced to stay on to ensure that an important wedding goes ahead. Can Skye finally find a home of her own? Can Will stop running from his past and help out his family when they need him the most?

**The magic of winter at Willow Tree Hall is about to change everything...**

**Perfect for the fans of Jill Mansell, Debbie Johnson, Heidi Swain and Carole Matthews.**
