

Descargar libros gratis Absolutamente única - Elena Garcia QBook

Vanessa es una chica albina que sufre *bullying* en la universidad debido a su trastorno genético. Aunque su mente es brillante, se ha visto obligada a cambiar de centro en varias ocasiones debido al acoso constante que recibe por parte de sus compañeros.

Todo ello, sumado a las acusaciones de su madre y a la desidia en la que vive, la empujan a una espiral de depresión y descontrol sobre su cuerpo.

Tras tomar una dura decisión, convencida de que sus días siempre se verán reducidos a las burlas e insultos de los demás, aparece alguien en su vida que le devuelve la confianza y las ganas de vivir.
