

Descargar libros gratis Acoso - Marta Lamas QBook

Ante la urgencia ética para enfrentar el acoso, Marta Lamas realiza una profunda reflexión de las diferentes corrientes teóricas del feminismo, así como de las actitudes sociales en relación a éste. La autora busca, para ello, abrir el debate para definir aquellos actos que pueden ser considerados como acoso, de otros que no lo son y que encaminan, por otro lado, a la persecución y la difamación. En este proceso de crear una sociedad más justa e igualitaria, es necesario reflexionar críticamente entorno a aquellas prácticas que resultan emancipadoras, así como aquellas otras que son más bien, un tropiezo.
