AN INSTANT *NEW YORK TIMES* BESTSELLER AND A PERFECT HOLIDAY GIFT

The twisty new thriller from the *New York Times* bestselling author of *The Couple Next Door* and *A Stranger in the House*

A weekend retreat at a cozy mountain lodge is supposed to be the perfect getaway . . . but when the storm hits, no one is getting away

It's winter in the Catskills and Mitchell's Inn, nestled deep in the woods, is the perfect setting for a relaxing--maybe even romantic--weekend away. It boasts spacious old rooms with huge woodburning fireplaces, a well-stocked wine cellar, and opportunities for cross-country skiing, snowshoeing, or just curling up with a good murder mystery.

So when the weather takes a turn for the worse, and a blizzard cuts off the electricity--and all contact with the outside world--the guests settle in and try to make the best of it.

Soon, though, one of the guests turns up dead--it *looks* like an accident. But when a second guest dies, they start to panic.

Within the snowed-in paradise, something--or someone--is picking off the guests one by one. And there's nothing they can do but hunker down and hope they can survive the storm. . . and one another.
