2nd of 5 issue story arc: In possibly the craziest Angel volume yet, we find out what happened to Gunn, Drusilla, Angel, and Spike in the aftermath of the Fall, which includes comas, insane asylums, a comic con, and even Angel's movie adaptation. With stories by fan-favorite writer Brian Lynch and a two-issue arc co-written by Drusilla herself, Juliet Landau, this collection shows you just how insane Angel's world can get.
