

Descargar libros gratis Apologia pro vita sua - John Henry Newman QBook

Considerada una obra cumbre de la literatura autobiográfica universal, la Apologia pro vita sua supuso para su autor, J.H. Newman, la anhelada oportunidad de defenderse frente a la incomprensión y el rechazo que había causado en Inglaterra su conversión al catolicismo. Newman ofrece en este cálido relato de su itinerario vital e intelectual un ejemplo de honestidad y libertad en su camino hacia el catolicismo, a la vez que de respeto y estima hacia el anglicanismo del que procedía, que ha marcado su influencia en el pensamiento cristiano contemporáneo, confirmada con su beatificación por Benedicto XVI en 2010. La presente edición y traducción de Víctor García Ruiz y José Morales ha sido profundamente renovada y actualizada, e incluye una presentación de Ian Ker, en la que destaca la relevancia histórica de la obra y la figura del cardenal Newman: "Se necesitará otro milagro para la canonización, pero (...) no hay duda de que, una vez canonizado, la Iglesia declarará a Newman Doctor de la Iglesia".
