

Descargar libros gratis Azul de prusia - Philip Kerr QBook

1956. El general Erich Mielke, un alto mando de la Stasi al que no le gustan las negativas como respuesta, ha viajado hasta la Riviera francesa para obligar a Bernie Gunther a asesinar a una mujer. Es una misión suicida y Gunther lo sabe, así que huir es su única opción. Mientras escapa de los agentes de la Stasi, el antiguo detective recuerda otro caso: en 1939 fue enviado a Baviera a resolver un asesinato cometido en la segunda residencia de Hitler. Diecisiete años separan ambas historias, pero los vínculos entre pasado y presente nunca se acaban de romper.
