The future is boring. Technology has solved most of the world's most pressing problems, leaving people with tedious work and mundane play.

Jack is a Security Officer Class 5, which sounds important, but isn't. However, her banal life as a cubicle worker by day and tinkerer by night is interrupted when she discovers that her employer's computer system has been invaded.

Jack enlists the help of her only friends - her co-worker, Gilles and Adrian, an online...
