*They can take everything from me, but they can't take her.*

Mr. Black is coming back. With a vengeance.

**"I need you to sign a contract."**

"What kind of contract?"

"A contract that will make you mine."

This time she's going to do everything I say.

She's going to hate it and then she's going to beg for more.

This is the game we play. It's our game.

But what happens when others find out? Will we lose everything?
