Los textos reunidos son apenas una porción del todo. No guardan más orden que el valor del testimonio que gana fuerza frente a un poder omnímodo que impide la palabra.

Tienen en su mayoría el mérito de ser los que presentan, en voz del propio Ángel, todo lo sucedido desde su bien ganada plaza como escritor de prestigio, reconocido ganador del Premio Casa de las Américas y el Alejo Carpentier, hasta su condición actual de apestado por la dictadura de Cuba.

Los que no poseen ese carácter autobiográfico, se acercan a él o engloban cortas intrahistorias que merecían ser incluidos aquí.
