The thrilling conclusion to Jon Skovron's adventure fantasy series, two young people from a fracturing empire spread across savage seas must find a way to keep their nation together.

Still reeling from the events at Dawn's Light, Hope struggles to understand what it means to be a warrior who has vowed to never again take up a sword.

Red is enjoying his new role as imperial spy. Perhaps a bit too much. But his loyalties will be tested when his employer, Lady Hempist, relents and assigns him the one task he's been begging for all along: recruiting Hope and Brigga Lin to help rid the empire of biomancy once and for all.

Fate brought them together; it will tear their empire apart.
