

Descargar libros gratis Bolonia, conocerla es quererla - María Esther Estrada Martínez de Alva QBook

Bolonia es una joya "escondida", ubicada en el norte de Italia, entre Venecia y Florencia. El año pasado tuve oportunidad de pasar casi un mes conociéndola, recorriendo sus omnipresentes portales, visitando sus torres, sus iglesias y sus museos, disfrutando del ambiente de ciudad universitaria y paladeando su deliciosa y variada gastronomía. Cada paseo traía una sorpresa escondida en alguna plaza o callejuela. Este libro es fruto de mi fascinación por esta ciudad que tan bien combina pasado, presente y futuro.
