

Descargar libros gratis Bossypants (Enhanced Edition) - Tina Fey QBook

This enhanced edition features excerpts from the audio edition of *Bossypants*, recently named Audio Book of the Year! Before Liz Lemon, before "Weekend Update," before "Sarah Palin," Tina Fey was just a young girl with a dream: a recurring stress dream that she was being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV.

She has seen both these dreams come true.

At last, Tina Fey's story can be told. From her youthful days as a vicious nerd to her tour of duty on *Saturday Night Live*; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon -- from the beginning of this paragraph to this final sentence.

Tina Fey reveals all, and proves what we've all suspected: you're no one until someone calls you bossy.

(Includes Special, Never-Before-Solicited Opinions on Breastfeeding, Princesses, Photoshop, the Electoral Process, and Italian Rum Cake! This Enhanced eBook experience also includes special audio clips from Tina Fey, speculation on what an eBook really is, a bonus section of new-to-you photos, interpretive drawings, and a chapter read by the author!)
