Laura es una joven que vive con su padre y unos criados en un antiguo castillo en las lejanías de Estiria (Austria). A menudo, recuerda que cuando era una niña y estaba dormida en los brazos de una joven y se despertaba al sentir dos agujas en su cuello.

Su vida da un giro cuando, delante del castillo donde viven, un carruaje sufre un accidente y la dama y su hija, que viajaban en él, se instalan en el castillo hasta que puedan emprender, de nuevo, el viaje. Laura y la joven, Carmilla, traban amistad, a pesar de que la nueva inquilina muestra rarezas en su comportamiento: se despierta después de mediodía y se encierra en su cuarto sin dar señales de estar en él.
