There is nothing better than enjoying the company of friends and family over a delicious home cooked meal, and there's nothing that marks a celebration more than a feast! While the idea of entertaining can be daunting to some and overwhelming to others, with a Thermomix in the kitchen entertaining becomes quick and easy. But of course, you need the right recipes! In this eBook we've focused on two things to make your celebration simple - dishes that can be made in advance and dishes that take no time at all to prepare. We want you to spend your time celebrating with loved ones, not in the kitchen missing out. Whether it's lunch, dinner, afternoon tea or cocktails and canapes, we've got something for every occasion.
