

Descargar libros gratis Cerati - Juan Morris QBook

Con el aporte de una enorme cantidad de testimonios de amigos, familiares y músicos, Cerati. La biografía traza un retrato conmovedor, apasionante y sincero de la vida de un artista incomparable, en su faceta más íntima y humana.

Por cuatro años y medio, mientras Gustavo Cerati estuvo en coma, todavía quedaba la esperanza de que un día fuera a despertar y por este motivo nadie se animaba a despedirlo. Finalmente, el 4 de septiembre de 2014 llegó la triste noticia de que había fallecido. Esta biografía es un homenaje al músico que cambió para siempre la historia del rock argentino, no solo en su costado musical sino en su faceta más íntima y humana. Con testimonios de los músicos de su banda y de sus familiares, Juan Morris reconstruye la vida de un artista incomparable y transformador, que logró absorber la tradición del rock nacional y proyectarla en el futuro.
