

Descargar libros gratis Circo Máximo - Santiago Posteguillo QBook

Circo Máximo es la historia de Trajano y su gobierno, guerras y traiciones, lealtades insobornables e historias de amor imposibles. Hay una vestal, un juicio, inocentes acusados, un abogado brillante, mensajes cifrados, fortalezas inexpugnables, dos aurigas rivales, gladiadores y tres carreras de cuadrigas. Hay un caballo especial, diferente a todos, leyes antiguas olvidadas, sacrificios humanos, amargura y terror, pero también destellos de nobleza y esperanza, como la llama del Templo de Vesta, que mientras arde, preserva a Roma. Sólo que algunas noches la llama tiembla. La rueda de la Fortuna comienza entonces a girar. En esos momentos, todo es posible y hasta la vida de Trajano puede correr peligro. Y, esto es lo mejor, ocurrió: hubo un complot para asesinar a Marco Ulpio Trajano.

Después de *Los asesinos del emperador*, llega la esperadísima segunda parte de la trilogía de Trajano.
