In this fascinating account of Thomas Cochrane's extraordinary life, David Cordingly (*Under the Black Flag* and *The Billy Ruffian*) unearths startling new details about the real-life "Master and Commander"-from his heroic battles against the French navy to his role in the liberation of Chile, Peru, and Brazil, and the stock exchange scandal that forced him out of England and almost ended his naval career. Drawing on previously unpublished papers, his own travels, wide reading, and original research, Cordingly tells the rip-roaring story of the archetypal Romantic hero who conquered the seas and, in the process, defined his era.
