La comida es parte fundamental de las fiestas. La Nochebuena, el almuerzo de Navidad, la cena del 31 de diciembre, son espacios para compartir en familia, rodeados de afectos, recuerdos y emociones, pero también son una buena excusa para comer en abundancia y probar sabores nuevos y tradicionales. La intención de este libro es reunir deliciosas recetas de estas características, para así poder ampliar el menú de las festividades. Tal vez, lo ideal sea combinar recetas clásicas con nuevas propuestas gourmet, para así conformar a todos. Sólo es cuestión de animarse.
