Codex: Chaos Knights is your complete guide to the Questoris Traitoris - the Chaos Knights.

In this codex, you'll discover how the Chaos Knights were once paragons of honour and nobility, but fell to the corrupting influences of the Dark Gods. In some cases, entire households have turned against the Imperium in this manner, though others fight as masterless, lone renegades known as Dreadblades.

This Enhanced eBook, exclusively available from the iBooks store for Apple devices, is also a fantastic resource for collectors, containing tips for building your army, examples of Chaos Knights forces, and loads of invaluable reference material and alternative colour schemes for painters.
