When Leo Hart and Thomas Williams opened a BDSM club in Manchester back in 2002, they had no idea what they were creating. Because Collars & Cuffs has grown into more than a club—it's become a family.

Most men who join do so hoping to find a connection, though even those who aren't looking are surprised when the connection finds them. Collars & Cuffs men come from all walks of life: from a Dom who thought he would never find love again, to men whose past hurts still linger, to a young man who desperately needs someone to understand him. But there is one thing that will always be true: together they are stronger, and some bonds cannot be broken.
