

# Descargar libros gratis Constantinopla - Isaac Asimov DBSBOOK

Historia de la ciudad de Constantinopla, desde su fundación inicial (con el nombre de Bizancio, el año 657 a. C., por los griegos) hasta su conquista por parte de los turcos (y el cambio de nombre a Estambul, el año 1453). Un recorrido apasionado por las guerras, invasiones, situaciones políticas, reyes y caudillos. Con el estilo de Asimov, esta narración histórica es muy fácil de seguir y da un excelente contexto de la época de los hechos relatados, no solamente del lugar en el que se centra, sino de los alrededores.
