Manuela tiene veintiocho años, es grafóloga forense y vive en Barcelona con su prima Nerea.

Manuela, como todos, tiene sueños y secretos que nunca deberían ver la luz. Entre ellos está que, encerrada en su habitación y bajo seudónimo, escribe exitosas novelas eróticas.

Un día, su prima organiza una cena con sus amigos para presentar a su nuevo novio, y a partir de esa noche la vida de Manuela se volverá un caos absoluto y ya nada volverá a ser igual.

En la amistad hay leyes no escritas que nunca se deberían traspasar, pero lo prohibido seduce, y más si se trata de él, Abel.
