CRÓNICA SECRETA DE LA ECONOMÍA CHILENA CARLOS TROMBEN

Monumental Crónica donde se reconstruyen importantes cambios que experimento la economía Chilena

En esta monumental crónica, Carlos Tromben reconstruye la trama desconocida que se tejió entre 1974 y 1994, periodo en que se privatizó buena parte de las empresas que habían sido creadas por el Estado chileno. Años de experimentos, precariedad, individualismo y bulladas bancarrotas.

Los protagonistas de entonces, todavía, ejercen una influencia mayúscula en el acontecer político y económico del Chile de hoy, heredero -quizás hijo, quizás fantasma- de ese país que olvidamos.
