

Descargar libros gratis De amor y de sombra - Isabel Allende QBook

Ésta es la historia de una mujer y de un hombre que se amaron en plenitud, salvándose así de una existencia vulgar.

Segunda novela de Isabel Allende, *De amor y de sombra* es un agudo testimonio de las dramáticas situaciones que se viven en ciertas regiones de América Latina, al tiempo que un canto de amor y de esperanza.

Con ternura e impecable factura literaria, Isabel Allende perfila el destino de sus personajes como parte indisoluble del destino colectivo de un continente marcado por el mestizaje, las injusticias sociales y la búsqueda de la propia identidad.

La crítica ha dicho...

«La gente que aparece en el libro es tan real, sus triunfos y derrotas son tan fieles a la verdad de la existencia humana, que vemos el mundo en miniatura. Es precisamente esa la tarea de la ficción.»

The Washington Post
