

Descargar libros gratis De cero a uno - Peter Thiel DBSBOOK

El próximo Bill Gates no diseñará un sistema operativo. Los próximos Larry Page o Sergey Brin no crearán un motor de búsqueda. Y el siguiente Mark Zuckerberg no inventará una red social. Si vas a copiar a estos chicos, es que no has aprendido de ellos.

Hacer lo que ya sabemos lleva al mundo de 1 a n. Genera un progreso horizontal añadiendo más de lo mismo. Cada nueva creación, sin embargo, va de 0 a 1, es vertical e implica hacer algo que nadie ha hecho antes. Si coges una máquina de escribir y construyes cien, has hecho un progreso horizontal. Si coges una máquina de escribir y construyes un procesador de textos, has hecho un progreso vertical. Este libro trata de cómo llegar allí.

Title	: De cero a uno
