

Descargar libros gratis Decora con totora - Maria Fernanda Perez QBook

la totora o trapillo es la fibra ecológica de moda. Ecológica porque surge del reciclado de retazos de la industria textil, proceso que ayuda al equilibrio del planeta al no eliminar telas como modal, algodón, lycra, polar, piqué, etc. Asimismo, la totora permite reciclar prendas en desuso de nuestro propio guardarropas. Estas prendas viejas, cortadas en tiras de 1 a 4 cm y ovilladas o enmadejadas, reviven en nuestra casa con ayuda del crochet o el tejido a dos agujas. Desde hamacas y reposeras hasta almohadones y alfombras, todo es posible con esta fibra y este libro te enseñará a lograrlo.
