

# Descargar libros gratis Disparando contra Dios - John C. Lennox QBook

El ateísmo está en auge en el mundo occidental y su enemigo es Dios. Los "nuevos ateos" afirman que la religión "es peligrosa", que "mata" o que "lo envenena todo". Y si la religión es el problema del mundo, su respuesta es simple: deshagámonos de ella.

¿Pero las cosas realmente son así de simples? John Lennox se enfrenta a autores como Richard Dawkins, Stephen Hawking, Christopher Hitchens y Daniel Dennett y resalta las falacias de sus planteamientos, argumentando que su metodología irracional y poco científica los hace culpables de la misma necesidad obstinada de la que ellos acusan a los religiosos dogmáticos.

"Disparando contra Dios", un libro académico y que abarca aspectos muy diversos, contiene golpes certeros que debilitan al rival. También expone nuevas ideas sobre la naturaleza de Dios y el cristianismo que harán reflexionar tanto a los mejores amigos como a los peores enemigos de los nuevos ateos.
