

Descargar libros gratis Domesticados - Alice Roberts QBook

Durante cientos de años, los humanos han dependido de las plantas y los animales salvajes para sobrevivir. Pero en algún momento ocurrió una auténtica revolución: nuestros antepasados empezaron a relacionarse con otras especies, a domesticarlas, y entonces todo cambió, la población humana se disparó y dio comienzo lo que hoy consideramos civilización. Siguiendo la estela de ensayos como Sapiens, Alice Roberts nos muestra la historia de diez familias de especies con un pasado salvaje que han terminado convirtiéndose en nuestros aliados y en esenciales en la supervivencia y el éxito de la humanidad.
