

Descargar libros gratis Don Quixote - Miguel de Cervantes, John Ormsby & Gustave Doré QBook

Don Quixote is a novel by Miguel de Cervantes Saavedra. It follows the adventures of Alonso Quijano, an hidalgo who reads so many chivalric novels that he decides to set out to revive chivalry, under the name Don Quixote. He recruits a simple farmer, Sancho Panza, as his squire, who often employs a unique, earthly wit in dealing with Don Quixote's rhetorical orations on antiquated knighthood.

Published in 2 volumes, in 1605 and 1615, respectively, Don Quixote is considered the most influential work of literature from the Spanish Golden Age and the entire Spanish literary canon. As a founding work of modern Western literature, and one of the earliest canonical novels, it regularly appears high on lists of the greatest works of fiction ever published. (Wikipedia)
