

Descargar libros gratis DYA - José Luis González Gullón QBook

Josemaría Escrivá de Balaguer funda el Opus Dei en Madrid, ocho años antes de que estalle la guerra civil española. Se encuentra en Madrid solo, *con veintiséis años, la gracia de Dios y buen humor* -solía decir- y un mensaje en las manos entonces desconcertante: la llamada universal a la santidad en la vida ordinaria.

En este relato el autor analiza la primera actividad de apostolado corporativo del Opus Dei, impulsada directamente por su fundador: un libro que ayuda a conocer las claves de su espiritualidad, extendida años más tarde por todo el mundo.

José Luis González Gullón es doctor en Historia y en Teología y miembro del Instituto Histórico San Josemaría Escrivá. Es autor de *El clero en la Segunda República. Madrid, 1931-1936*, y de varios artículos sobre historia contemporánea de la Iglesia en España. Ha sido uno de los editores del *Diccionario de San Josemaría Escrivá de Balaguer*.
