

Descargar libros gratis Educar las emociones - Amanda Céspedes Calderón QBook

Educar las emociones...educar para la vida constituye la segunda parte del libro Niños con pataletas, adolescentes desafiantes, gran éxito de ventas a fines de 2007. En esta obra, la especialista en neuropsiquiatría infantil, Amanda Céspedes, entrega las claves a padres, profesores y cualquier adulto que se relacione en forma permanente con niños, para contenerlos, guiarlos en su formación emocional y desarrollar todas sus potencialidades y talentos, sin perder la felicidad propia del alma infantil. Busca cambiar el paradigma del adulto autoritario y dominante de los siglos anteriores, por uno empático, comprensivo, intuitivo, que sabe utilizar las herramientas para una comunicación afectiva y efectiva, necesaria en este mundo moderno.
