

Descargar libros gratis El adversario - Emmanuel Carrère DBSBOOK

El 9 de enero de 1993 un hombre mató a su esposa, sus hijos y sus padres, e intentó sin éxito suicidarse. La investigación reveló que no era médico, tal como pretendía. Mentía desde los dieciocho años y se había construido una existencia ficticia. A punto de ser descubierto, prefirió suprimir a aquellos cuya mirada no hubiera podido soportar. Una escalofriante historia real que es un viaje al corazón del horror y ha sido comparada con A sangre fría de Truman Capote.
