El extranjero (título original francés L'Étranger, 1942) es una novela del escritor francés Albert Camus. El personaje de la obra es un ser indiferente a la realidad por resultarle absurda e inabordable.

El progreso tecnológico le ha privado de la participación en las decisiones colectivas y le ha convertido en «extranjero» dentro de lo que debería ser su propio entorno.

El protagonista, el señor Meursault, comete un absurdo crimen y, a pesar de sentirse inocente, jamás se manifestará contra su ajusticiamiento ni mostrará sentimiento alguno de injusticia, arrepentimiento o lástima. La pasividad y el escepticismo frente a todo y todos recorre el comportamiento del protagonista: un sentido absurdo de la existencia y aun de la propia muerte.
