El propósito de este libro no es la enunciación de una filosofía o doctrina especial, sino más bien dar al estudioso una exégesis de la verdad que le sirva para conciliar los muchos tópicos de los conocimientos ocultos que puede ya haber adquirido, pero que, aparentemente, son contradictorios y paradójicos. Nuestro intento no consiste en erigir un nuevo templo de sabiduría, sino en colocar en manos del investigador una clave maestra con la cual pueda abrir las numerosas puertas internas que conducen al Templo del Misterio.
