**Historia de grandiosa concepción, *El plan infinito* recrea medio siglo de la sociedad norteamericana en la vida de su protagonista.**

Ésta es la historia de Gregory Reeves, un gringo que sobrevive en el difícil mundo de los hispanos de California. Gregory quiere llevar a la práctica el peculiar «plan infinito» que se trazó a sí mismo en su infancia. Sin embargo, para conseguirlo debe recorrer un duro camino lleno de obstáculos: la marginación social, el racismo, el brutal contraste entre pobreza y riqueza o la guerra de Vietnam.

**Reseña:**

«Sin ninguna duda, esta novela ambiciosa y totalizadora certifica la plena madurez de Isabel Allende, que conquista por mérito propio un sólido espacio en la escritura del continente mestizo.»

Nelson Marra, *El Mundo*
