

Descargar libros gratis El reino de este mundo - Alejo Carpentier QBook

El reino de este mundo es una novela publicada en 1949 por el escritor cubano Alejo Carpentier cuyo tema principal, lo real maravilloso, se enmarca en la Revolución haitiana. En esta novela, ampliamente aceptada por la crítica y que pertenece ya al canon académico, el lector se introduce, a través de los ojos de un esclavo, en la fascinante atmósfera de una Haití en busca de independencia, un mundo de pasiones que se desenvuelven en medio de la feroz caricatura de los extraordinarios lujos de la corte bonapartista. Novela pionera del realismo mágico, en una América donde lo mágico es cotidiano y real.
