El inicio de la Guerra Civil española, en 1936, sorprendió al fundador del Opus Dei y a la mayoría de sus miembros en la zona republicana. Todos se escondieron para evitar la dura represión revolucionaria.

Con el paso de los meses, los refugios y asilos dieron paso a las escapadas y expediciones.

Gracias al desvelo de José María Escrivá, el Opus Dei sobrevivió en medio de la tragedia desencadenada por el conflicto armado.
