She thinks she's fooled me. But I've known all along.

Almost.

Lily is hiding something, a secret so big, she came out of a year-long coma and her first instinct was to *lie*.

Who does that? Someone who is afraid. No—not afraid.

Terrified. And it's my job to take that fear away.

My partner and I have spent countless man-hours hunting down the cold-blooded killer who did this to her. Meanwhile, Lily's spent her waking hours recovering. Getting stronger. Getting smarter.

Staying beautiful.

Never get involved emotionally. That's my dictate. Never get attached.

When you realize you're caught in a triangle, it turns out there is no exit.

Crossing a line is easy. Holding a line takes strength.

Lily's shooter knows that she's my weakness.

And he's about to exploit that by breaking a line and escaping, claiming a hostage in the process.

One I have to get back.
No matter what it takes.
