El premio Nobel de Literatura J.M. Coetzee reinventa la historia de Robinson Crusoe.

La narradora de *Foe* es Susan Barton, una mujer que tras sobrevivir a un naufragio y convivir en una isla desierta con Robinson Crusoe y su esclavo mudo, Viernes, regresa a Londres con la firme intención de que el eminente escritor Daniel Foe novelo lo acontecido en la isla.

La reescritura del clásico de Daniel Defoe da voz a una nueva versión de la historia. La evolución del personaje central, la narración epistolar que constituye gran parte del libro y el suspense propio de la trama, hace de *Foe* una novela ambiciosa y original.

Reseña:

«Un intenso debate en torno a la identidad, que convierte al ser humano en materia de reescritura permanente.»

Enrique de Hériz
