How does America's foremost feline do it? There's so much lasagna to be eaten, so many dogs to kick around, that he doesn't have time to worry about current events. He is the maestro of mirth and the purveyor of puns to his millions of fans. With Garfield in your life, is there room for anything more...?

The GARFIELD CLASSICS series collects the early years of the Garfield comic strip. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So laugh along with the classic cat, because classics are always in style.
