Una antología de hilarantes viñetas del fenómeno de redes sociales del momento.

Un conjunto de ilustraciones protagonizadas por distintos gatos que reflexionan sobre las contradicciones sentimentales y la contingencia sociopolítica: la hipocresía social, la corrupción de los poderes fácticos y la incapacidad de empatizar con los problemas del otro.

En todas las ilustraciones, los gatos son acompañados de un divertido y malhablado ratón que funciona como apoyo o contraparte de los mensajes enunciados.
