Queen B has fallen off her throne and landed in Brooklyn (of all places!), where she's sharing an apartment with V. It's hell at first, but somehow they find a way to make it work - and B even discovers that she has some domestic talents she never knew existed! But now N and S are a couple, and heartbroken B's desperate attempts to maintain her reputation have put her on "sweet" little J's foul side. And when it comes to these girls, revenge is a dish best served HOT! Can you take a little heat?
