From New York Times and USA Today bestselling author Carrie Ann Ryan comes a new story in her Montgomery Ink series...

The Montgomery Ink series continues with the long-awaited romance between the café owner next door and the tattoo artist who's loved her from afar.

Hailey Monroe knows the world isn't always fair, but she's picked herself up from the ashes once before and if she needs to, she'll do it again. It's been years since she first spotted the tattoo artist with a scowl that made her heart skip a beat, but now she's finally gained the courage to approach him. Only it won't be about what their future could bring, but how to finish healing the scars from her past.

Sloane Gordon lived through the worst kinds of hell yet the temptation next door sends him to another level. He's kept his distance because he knows what kind of man he is versus what kind of man Hailey needs. When she comes to him with a proposition that sends his mind whirling and his soul shattering, he'll do everything in his power to protect the woman he cares for and the secrets he's been forced to keep.

\*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\*
