

Descargar libros gratis I Celebrate Myself - Bill Morgan QBook

In the first biography of Ginsberg since his death in 1997 and the only one to cover the entire span of his life, Ginsberg's archivist Bill Morgan draws on his deep knowledge of Ginsberg's largely unpublished private journals to give readers an unparalleled and finely detailed portrait of one of America's most famous poets. Morgan sheds new light on some of the pivotal aspects of Ginsberg's life, including the poet's associations with other members of the Beat Generation, his complex relationship with his lifelong partner, Peter Orlovsky, his involvement with Tibetan Buddhism, and above all his genius for living.
