Its more than just the debut novel from the acclaimed singer and songwriter-it's "the best messed up love song you'll ever read." (Dan Palladino and Amy Sherman-Palladino, creators of *The Gilmore Girls*)

Our hero is a talented but floundering musician with no job, no apartment, no wife (anymore), and a six-pack of beer. Stuck between responsibility and freedom, and apathy and success, he's seeking sanctuary at his sister's home in Cape Cod, agreeing to look after his two-year old nephew. Together the unlikely pair attracts the attention of a lovely young woman with a broken past all her own and the ability to shock our hero awake-or shake him to his core.
